Racing 100 Leaded Fuel for Motor and Water Sports

As you may be aware the WA Sporting Car Club has had recent difficulty in sourcing Racing 100 leaded fuel.

This difficulty has been overcome and we have taken a delivery to replenish our tank. We are now able to supply Racing 100 leaded fuel from our bowser, however, the price has increased to \$3.00 per litre.

The Club will only supply Racing 100 to members of Motor and Water Sports Organisations who have been issued a Department of Environment and Heritage leaded fuel passbook.

The Leaded Fuel Passbooks are valid until 31 December 2008 after which time the Department of Environment and Heritage should have a simplified, long-term management arrangement implemented.

Yours faithfully
