

Unfortunately, despite many requests, camping is not permitted within the Barbagallo Raceway grounds. The City of Wanneroo also prohibits camping in the immediate surrounding area of Barbagallo Raceway and during the V8 Supercars weekend, parking too is also prohibited along Wattle Avenue.

The WA Sporting Car Club understands the need for our competitors and spectators to find accommodation in the vicinity for race meetings and has therefore compiled this listing of known accommodation outlets in Wanneroo and surrounding suburbs.

If you would like your own establishment considered for the list, please [contact](#) the Club.
